## We Simplify and Streamline Workers Comp Insurance For Home Care Patients

When people are injured on the job, they often face a long road back to full health and optimal performance. In many cases, this will require extended long-term home care after being discharged from the hospital.

Workers compensation and disability insurance help reduce the financial burden, but filing a claim isn't always easy.

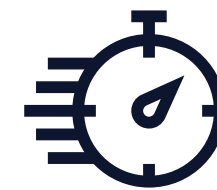

That's where we come in. At MD Home Health, our in-house team specializes in prior authorizations, coding, billing, claim submissions, and more.

### **Workers Comp Insurance Assistance**

“

“The physical therapist was wonderful with our mom. He was very patient and had her up and walking. We loved him for mom. No other physical therapist had her up and walking like he did.”

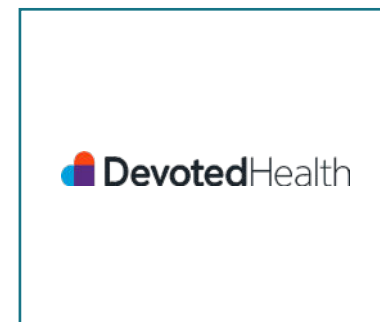

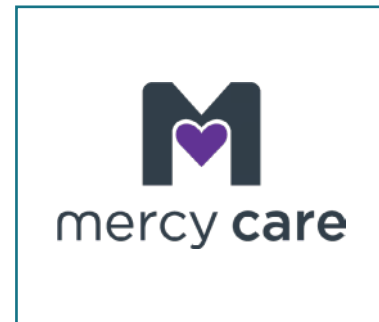

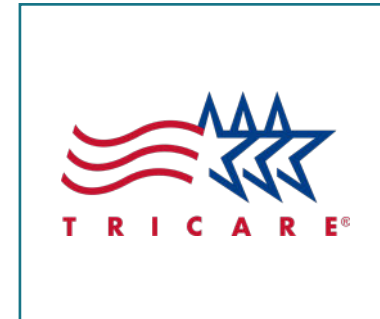

PEGGY

“

“I want to praise my RN and my occupational therapist because they are very smart and competent in their professions – the BEST! They are kind, patient, and respectful. They are wonderful people, and I hope that they can care for me again in the future.”

“

“My home health nurse is so good. I have told several likely people about the agency and just recently referred another who will be needing the services.”

JANE

“

“Excellent nurses and therapists. They are very knowledgeable, friendly, and professional. Great communication and made me feel better by explaining everything in great detail.”
